

JUPITER'S APPROACH

Market Soundings and Inside Information

THE RECEIPT OF INSIDE INFORMATION BY JUPITER IS SUBJECT TO THE FOLLOWING STRICT CONDITIONS:

- In certain circumstances, Jupiter may choose to receive inside information as outlined in the Stewardship Code <https://www.jupiteram.com/Global/en/Investor-Relations/Governance/UK-Stewardship-Code>
- Inside information disclosed may only be conveyed to Jupiter if it is being carried out during the normal course of the exercise of employment, profession or duties in compliance with the Market Abuse Regulation.
- Jupiter will only accept market soundings from legitimate sources if contact is made via telephone. We expect that such calls made to Jupiter are recorded by the disclosing market participant in compliance with the Market Abuse Regulation. Market soundings may only be conducted via telephone to Jupiter during normal office hours of 9am -5pm.
- Jupiter reserves the right to record the telephone lines of any individual who is likely to receive inside information for training and quality assurance purposes during the course of a market sounding. This is not limited to the staff outlined below and will be at Jupiter's discretion.
- Subject to Jupiter having agreed to be made an insider, we would also expect the disclosing market participant to again contact Jupiter once any inside information conveyed to us ceases to be inside information.
- The Compliance department co-ordinates all requests relating to the receipt of market soundings and the cleansing of inside information.
